

# PowerLines

January 2017

## Happy New Year!

One of the questions that I like to ask myself and others at this time of year is this. Would you take another year like the one that just ended? There are many different things to consider. As a follow up, consider this question. What would you like to accomplish this coming year?

From your cooperative's perspective, 2016 turned out to be a very good year all around. We were fortunate to meet or exceed virtually all of our corporate goals (safety, financial, reliability, member satisfaction). We also expect energy sales for the year to be close to the forecast value.

Our net operating margin for the year will end up much better than forecast in the initial budget. Your board of directors is pleased to return about \$480,000 of this year's operating margins to you immediately in the form of a rebate on your January power bill. **This is a benefit of being a member/owner of your not-for-profit cooperative!**

The board also authorized a portion of those margins to provide financial flexibility for future energy purchases from our power supplier.

The credit on this month's bill is based on your 11-month average electric use from January through November. **You can find your credit amount on the "2016 Margin Rebate" line on your bill included with this mailing.**

**MESSAGE FROM  
THE PRESIDENT**

Last month (November electric use billed in early December) you may have also noticed a fairly large credit on your bill for the Power Cost Adjustment. A good operating year at the Prairie State power plant enabled us to pass along some savings as our power supply costs were a bit better than budgeted.

The balance of 2016 operating margins will be allocated as capital credits to be returned to you at a future date. Speaking of capital credits, this year your directors voted to return approximately \$1.6 million of member patronage capital. Many of you have already received these checks within the past month or so.

We are also pleased to let you know that your rates are projected to remain stable for 2017. Based on our latest five-year financial projection, we expect stable rates into the near future as well.

I would also like to highlight our participation in the Youth to Washington Program (see pages 5 & 6 of this publication for more information). It is a life-changing experience! This is just one example of how we are pleased to be able to give back to our community.

We look forward to a safe 2017, and we thank you for the opportunity to serve!

Sincerely,

*Bob Hunzinger*

# Discover the value of co-op membership and save!

**The Co-op Connections Card is a tangible benefit of being a member of Eastern Illini. It is a free membership card that gives you discounts on everyday expenses.**

As a card-carrying member, you can use your Co-op Connections Card or key fob at any participating business and receive discounts at restaurants, retail shops, hair salons, flower shops, hotels, and more.

Finding a participating business is easy. The next two pages of this publication include a complete list of local offers, and each participating local business will have a Co-op Connections Card sticker on their window or register.

Since new deals are being added all the time, the best place to find all the latest deals is online at [www.eiec.coop](http://www.eiec.coop). Just click on the picture of the Co-op Connections Card and follow the links. There is also a Co-op Connections app available for both iOS and Android devices. Simply search for "Co-op Connections" on your

favorite app store. With the app, you can find offers, and have carry a digital version of your card.

Besides local offers, there are many savings opportunities available online and nationally. There are more than 32,000 retail discounts nationally – ranging from dining and clothing to golf and auto repair. The website and app will give you more information on those offers.

The Co-op Connections Card is also accepted at over 60,000 participating pharmacies and can save you 10% to 85% on many prescription medications. In fact, EIEC members have saved over \$193,000 in prescription discounts since 2007! PLUS, you can receive Healthy Savings discounts on dental,

vision, chiropractic and more through participating providers.

If you need a new Co-op Connections Card for any reason, or if you have any questions about the program, you can call us at 800-824-5102 or send an email to [info@eiec.coop](mailto:info@eiec.coop).

# High School Students: Win a trip to Washington, D.C.

**Eastern Illini Electric Co-op is proud to offer high school students the opportunity to win the trip of a lifetime.**

High school students (sophomores, juniors or seniors) with a passion for leadership and government are encouraged to apply for an all-expenses-paid trip to Washington, D.C. in June!

Students that are daughters or sons of Eastern Illini Electric Cooperative members are encouraged to apply for the Youth to Washington Tour.

## **How the program works**

Up to eight applicants will be selected to attend Illinois Cooperative Youth Day in Springfield on March 29, 2017.

From that group, up to three students will be chosen to represent

Eastern Illini Electric Co-op by attending the Youth to Washington Tour, June 9-16, 2017.

## **About the trip**

The trip brings together 1,500 high school students from across our nation for an incredible week in our nation's capital.

The Youth to Washington Tour has been sending high school students to Washington, D.C. for over 50 years. On the tour, students learn about electric cooperatives, American history and government, and will walk away with a greater understanding of their role as an American citizen.

They will visit with their elected officials and explore the sights around our nation's capital, including the White House, the Smithsonian museums, the Washington Monument, Lincoln

Memorial, the FDR Memorial, the Supreme Court, and more!

## **How to Apply**

Eligible students can apply online at [www.eiec.coop](http://www.eiec.coop). Simply click on the "Community Involvement" tab and follow the link to the Youth to Washington Program.

The application process is very simple - just a few basic questions and a couple of extended answer questions.

The Youth to Washington Tour is sponsored locally by Eastern Illini Electric Cooperative, statewide by the Association of Illinois Electric Cooperatives, and nationally by the National Rural Electric Cooperative Association.

You can find more information on the next page, or contact us at 800-824-5102, or visit [www.eiec.coop](http://www.eiec.coop).

# Youth to Washington Experience

## The trip of lifetime!

“I learned more than I ever thought I would, developed a passion for cooperatives and our country, experienced the United States government, and made life long friends.” -Emma J.

“Youth to Washington is a once in a lifetime experience! I’ve never felt more patriotic or proud of our country than I did during and after that trip!” - Cecily H.

“The Youth to Washington tour opened my life up to so many experiences and very many wonderful people.” -Kirsten W.

“Being on this trip has impacted my life forever.” -Sophia M.

“The opportunity to experience our Nation’s Capitol in person (with a bunch of youth my age!) is a memory I’ll never forget. This trip really gave me a deeper appreciation for our magnificent country.” -Sarah C.

“I had the opportunity to not only learn about cooperatives and government but I had the opportunity to hang out with 74 complete strangers who ended up being some of the coolest people I’ve ever met.” -Brittany D.

- For complete rules and to apply, visit [www.eiec.coop](http://www.eiec.coop).
- For more information, call us at 800-824-5102.
- The application deadline is January 31, 2016.
- The Illinois Youth to Washington Facebook page has more information and plenty of pictures.
