

EASTERN ILLINI ELECTRIC COOPERATIVE

REGULATION NO. 14

SUBJECT: Member Change of Service Responsibility

REGULATION:

The terminating member is responsible for any amount due for service supplied to the premises until the meter is read for the incoming member or until the outgoing member contacts the Cooperative's business office and the service is disconnected.

The incoming member must contact the Cooperative's business office and meet the Cooperative's application requirements to obtain service.

The member shall allow five calendar days for the Cooperative to respond to terminating or activating an electric service.
